Mayor Quaglia reported to the City Council that approximately one week ago, the Director of the Herrin Civic Center, Dayton Franklin, and President of the Board, Denzil Walker came to his office to discuss the possibility of the City of Herrin taking over the operation of the Herrin Civic Center. At this time the Mayor told them that he must have a complete financial statement on the status of the Civic Center along with operational costs. To this date he does not have this information. Mayor Quaglia wanted the City Council to know of the request from the Herrin Civic Center director and president of the board. He assured the City Council as soon as he received any information regarding this matter he would get back in touch them and inform them of the information he obtained. No votes were taken.

Being no further business before the Executive Session, the session adjourned and returned to the regular Council meeting at 7:35 P.M.

Edward Quaglia, Mayor
